

Gold Comet Privacy Policy

Effective date: January 14, 2020

BAIMMT LLC ("us", "we", or "our"), also known as Gold Comet, operates the <https://goldcomet.com> and .net websites and any Gold Comet mobile applications (hereinafter referred to as the "Service"). This page informs you of our policies regarding the collection, use and disclosure of personal data when you use our Service and the choices you have associated with that data. We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, the terms used in this Privacy Policy have the same meaning as in our Terms and Conditions and Cookies Policy.

Definitions

- **Service:** Service means the <https://goldcomet.com> and goldcomet.net websites and any Gold Comet mobile application(s) operated by BAIMMT LLC.
- **Personal Data:** Personal Data means data about a living individual who can be identified from data (or from data and other information either in our possession or likely to come into our possession).
- **Usage Data:** Usage Data is data collected automatically either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).
- **Cookies:** Cookies are small files stored on your device (computer or mobile device).
- **Data Controller:** Data Controller means the natural or legal person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal information are, or are to be, processed. For the purpose of this Privacy Policy, we are a Data Controller of your Personal Data.
- **Data Processors (or Service Providers):** Data Processor (or Service Provider) means any natural or legal person who processes the data on behalf of the Data Controller. We may use the services of various Service Providers in order to process your data more effectively.
- **Data Subject (or User):** Data Subject is any living individual who is using our Service and is the subject of Personal Data.

Information Collection and Use

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

Personal Data

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally, identifiable information may include, but is not limited to:

- Email address
- First name and last name
- Phone number
- Cookies and Usage Data

We may use your Personal Data to contact you with service support information.

Usage Data

We may also collect information that your browser sends whenever you visit our Service or when you access the Service by or through a mobile device ("Usage Data"). This Usage Data may include information such as your computer's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers and other diagnostic data. When you access the Service with a mobile device, this Usage Data may include information such as the type of mobile device you use, your mobile device unique ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browser you use, unique device identifiers and other diagnostic data.

Tracking & Cookies Data

We use cookies and similar tracking technologies to track the activity on our Service and we hold certain information. Cookies are files with a small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. Other tracking technologies are also used such as beacons, tags and scripts to collect and track information and to improve and analyze our Service. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Service.

Examples of Cookies we use:

- Session Cookies. We use Session Cookies to operate our Service.
- Preference Cookies. We use Preference Cookies to remember your preferences and various settings.
- Security Cookies. We use Security Cookies for security purposes.

Use of Data

Gold Comet uses the collected data for various purposes:

- To provide and maintain our Service.
- To notify you about changes to our Service.
- To allow you to participate in interactive features of our Service when you choose to do so.
- To provide customer support.
- To gather analysis or valuable information so that we can improve our Service.
- To monitor the usage of our Service.
- To detect, prevent, and address technical issues.

Legal Basis for Processing Personal Data under the General Data Protection Regulation (GDPR)

If you are from the European Economic Area (EEA), Gold Comet's legal basis for collecting and using the personal information described in this Privacy Policy depends on the Personal Data we collect and the specific context in which we collect it. You have agreed to allow Gold Comet, and its third-party payment processor, to process your Personal Data because:

- We need to fulfil a contract with you.
- You have given us permission to do so.
- The processing is in our legitimate interest, and it is not overridden by your rights.
- For payment processing purposes.
- To comply with the law.

Retention of Data

Gold Comet will retain your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with

applicable laws), resolve disputes and enforce our legal agreements and policies. Gold Comet will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of our Service, or we are legally obligated to retain this data for longer periods.

Transfer of Data

Your information, including Personal Data, may be transferred to – and maintained on – computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ from those of your jurisdiction. If you are located outside the United States and choose to provide information to us, please note that we transfer the data, including Personal Data, to the United States and process it there. Gold Comet will take all the steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information. Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

Disclosure of Data

Disclosure for Law Enforcement

Under certain circumstances, Gold Comet may be required to disclose your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g., a court or a government agency).

Legal Requirements

Gold Comet may disclose your Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation.
- To protect and defend the rights or property of Gold Comet.
- To prevent or investigate possible wrongdoing in connection with the Service.
- To protect the personal safety of users of the Service or the public.
- To protect against legal liability.

Security of Data

The security of your data is important to us but remember that no method of transmission over the Internet or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

Service Providers

We may employ third party companies and individuals to facilitate our Service ("Service Providers"), provide the Service on our behalf, perform Service-related services or assist us in analyzing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Analytics

We may use third-party Service Providers to monitor and analyze the use of our Service.

• Google Analytics

Google Analytics is a web analytics service offered by Google that tracks and reports website traffic. Google uses the data collected to track and monitor the use of our Service. This data is shared with other Google services. Google may use the collected data to contextualize and personalize the ads of its own advertising network.

For more information on the privacy practices of Google, please visit the Google Privacy & Terms web page: <https://policies.google.com/privacy?hl=en>

Payments

We may provide paid products and/or services within the Service. In that case, we use third-party services for payment processing (e.g. payment processors). We will not store or collect your payment card details. That information is provided directly to our third-party payment processors whose use of your personal information is governed by their Privacy Policy. These payment processors adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover. PCI-DSS requirements help ensure the secure handling of payment information. The payment processor we work with is:

- **Paya.com**

Their Privacy Policy can be viewed at: <https://paya.com/privacy-policy/>

Children's Privacy

Our Service does not address anyone under the age of 18 ("Children"). We do not knowingly collect personally identifiable information from anyone under the age of 18. If you are a parent or guardian and you are aware that your child has provided us with Personal Data, please contact us. If we become aware that we have collected Personal Data from children without verification of parental consent, we take steps to remove that information from our servers. If a parent establishes an account for a family member who is not the age of 18, they (parent/the adult) take all responsibility for account activity.

Changes to This Privacy Policy

We may update this Privacy Policy at our discretion. Changes to the Privacy Policy will be posted for your access and consent. We will let you know via a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted.
